

ARTS AWARD DISCOVER

AT HOME

PART A - TAKING PART IN AN ARTS ACTIVITY

No printer? No problem! Here are some ways to evidence and submit your 'Arts Award Discover At Home' just with a mobile phone or home computer.

PART B- LEARNING ABOUT ARTISTS

1. Research your artist online and gather information about them. You might find out what art they make, how they make it or where they learnt to make art!
2. Now decide *how* you will present the information. You could create a song about the artist, a poem or a picture. Perhaps you might dress up as the artist and talk about their life as if you are them!
3. Record your video or song or take an image of the artwork that shows your research. Save it with the heading 'Part B'.

CREATE IT

Using the *What's It All About* Guide

VIDEO OR PHOTOGRAPH IT

UPLOAD IT

Check out the *Share It!* and *Submit It!* pages to find out how

PART C- SHARE WHAT YOU ENJOYED

Choose someone at home to share your Arts Award Discover with. Take a photo or video as you tell them what you enjoyed and learnt from doing your Arts Award.
